1981-82 has certainly been a fast-paced year for all of us. Since time has flown by so quickly, this yearbook has been designed to recapture those many fleeting moments. May each of you find enjoyment in the pages to follow as you enter the new dimensions that life has to offer.

Sinette Constien

A NOTE FROM THE EDITORS

My senior year has been busy and exciting. The production of this yearbook was a new experience for me, and it is my hope that it covers the events of 1981-1982 accurately. Hopefully, the mistakes and omissions have been kept to a minimum; and in the future when you look at the yearbook, you will have many fond memories. A special thanks to Mr. Fred Snyder for all of the patience, help, and understanding he has given us.

LIFE, AS WE KNOW, IS FULL OF MANY DIMENSIONS. NO SOONER DO WE LEAVE ONE DIMENSION THAN WE'RE ENTERING ANOTHER. THE CHALLENGES WE ARE FACED WITH AND ULTIMATELY CONQUER IN OUR DAY TO DAY LIVING, GIVE US THE INCENTIVE TO GO ON WITH OUR LIVES.

AS EACH YEAR PASSES, WE ALL GROW A LITTLE BIT OLDER AND HOPEFULLY A LITTLE BIT WISER. A SOPHOMORE DEFINITELY HAS THE MOST TO LEARN WHILE IN HIGH SCHOOL. THE JUNIOR BEGINS TO TAKE A GRIP ON MATTERS, BUT STILL DOESN'T HAVE WHAT IT TAKES TO BE THE BEST. OF COURSE THAT BRINGS US TO THE SENIOR — THE EPITOME OF ANY HIGH SCHOOL. BUT, WHAT ABOUT LIFE AFTER GOOD OLD U.S.H.S. . . . WHERE DOES ONE GO FROM HERE?

OLIVER WENDELL HOLMES ONCE SAID: "THE GREAT THING IN THIS WORLD IS NOT SO MUCH WHERE WE ARE, BUT IN WHAT DIRECTION WE ARE MOVING." THIS SEEMS TO BEST TIE UP THE MANY LOOSE ENDS ONE MAY HAVE IN TRYING TO RELIEVE THE PAST. IT IS EVIDENT, THEN, THAT ONE MUST NOT BE AFRAID OF THE FUTURE OR THE MANY DIMENSIONS HE IS BOUND TO ENCOUNTER. IF WE JUST TAKE LIFE DAY BY DAY, WE WILL FIND JOY AND SATISFACTION OF A JOB WELL DONE AND A LIFE WELL LIVED.

Mr. Snyder found that a blood pressure check was necessary after many long hours of proof-reading annual pages.

Webster's New World Dictionary doesn't even contain the right words for a sufficient "THANK-YOU" to Mr. Snyder as the adviser of our yearbook. His time and dedication as well as his enthusiasm have combined to make this book a success. We appreciate Mr. Snyder's effort towards the 1982 Indian Village Annual, and wish him the best in years to come.

Linette, Laura, and Staff

Not only is U.S.H.S. an ever-changing place, but also is Upper Sandusky. The 1981-82 year has marked the beginning of newly constructed buildings and necessary additions. Thus, our small town is taking on some new dimensions. Land set aside for the Bicentennial Park is finally being developed according to plans. When finished, a picnic area, restrooms, and smooth surfaced cement for skating and skateboarding will be available. The Wyandot County Senior Citizen Village was finished in the fall and many apartments filled upon its completion. An indoor skating arena was installed on N. Warpole Street and called Skateland Ltd. Adjoining Skateland is the Upper Sandusky Family Recreation Center with a pool, raquetball courts, putting green, and weight equipment for use to all members. For those who have frequent "Big Mac Attacks" — McDonalds is coming soon. It will be located on U.S. 30 East, by the Citgo and Sunoco gas stations. After an inspection by state officials of the Wyandot County Jail, an addition and inside improvements had to be made on the jail to comply with state regulatory standards.

FIRE!

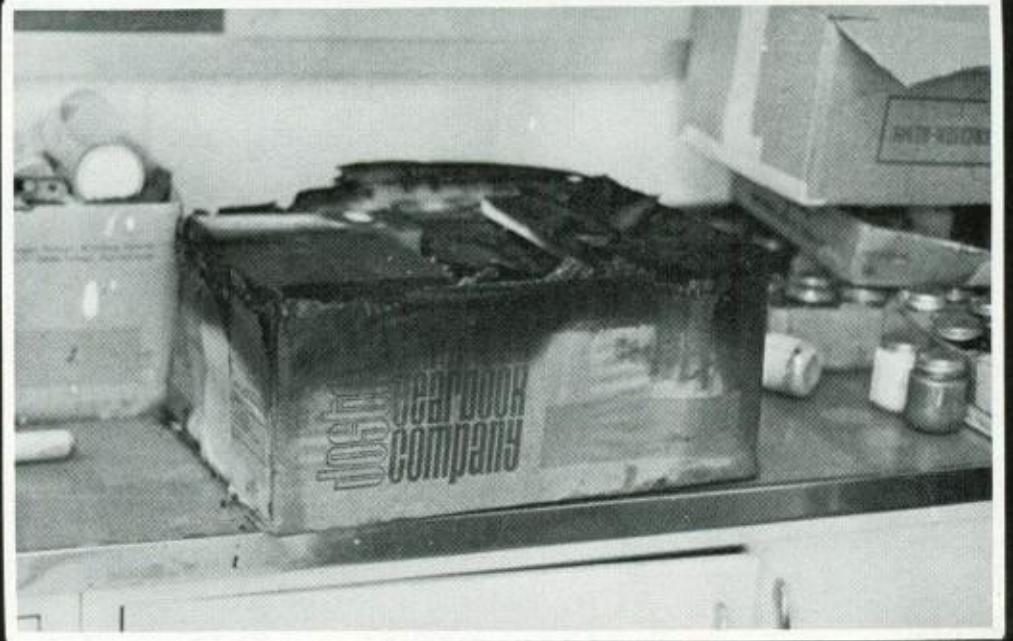

Although not good dimensions, the fires throughout our area brought on changes of their own. Ironically enough, four major fires occurred within approximately one month. First, was the dramatic fire at the Don Liles auto dealership, in which many new, used, and servicing cars were lost. Not long after the dealership fire came the destruction of the old freight house along the Conrail tracks. Later, the Peter Barnes home on Bigelow St. was lost to fire, as was the supply area of the art room here at U.S.H.S. The fires were certainly significant in leading to many new dimensions of our environment.

Scenes on this page are from the fire in the art room at U.S.H.S. Virtually all the supplies were destroyed due to an explosion of a kiln that over-heated. (Pictures compliments of the Daily Chief-Union Newspaper.)

AIN'T NO REASON TO GO NO PLACE ELSE!"

A shy (?) Lorette Constien helps herself to some dressing at the salad bar.

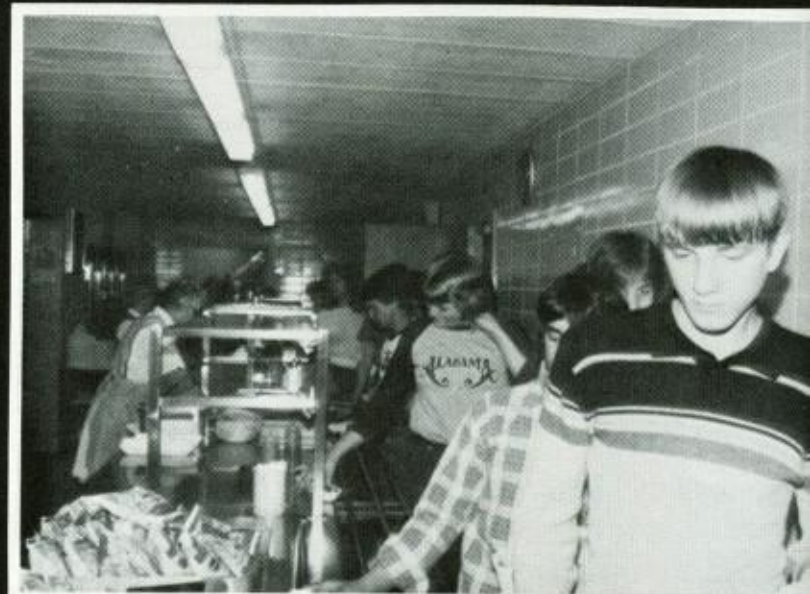

Due to student complaints of closed lunch periods and little food variety, an a la carte line, soup of the day, and salad bar have been added to the cafeteria. The regular lunch is still available with extras, however. In place of the Ram Line is an a la carte menu of various sandwiches, desserts, and even frosties. A salad bar was also made available to the students, offering many toppings, crackers, and a choice of dressing. Later in the year, bowls of soup were sold at seventy-five cents each, with a different soup featured each day.

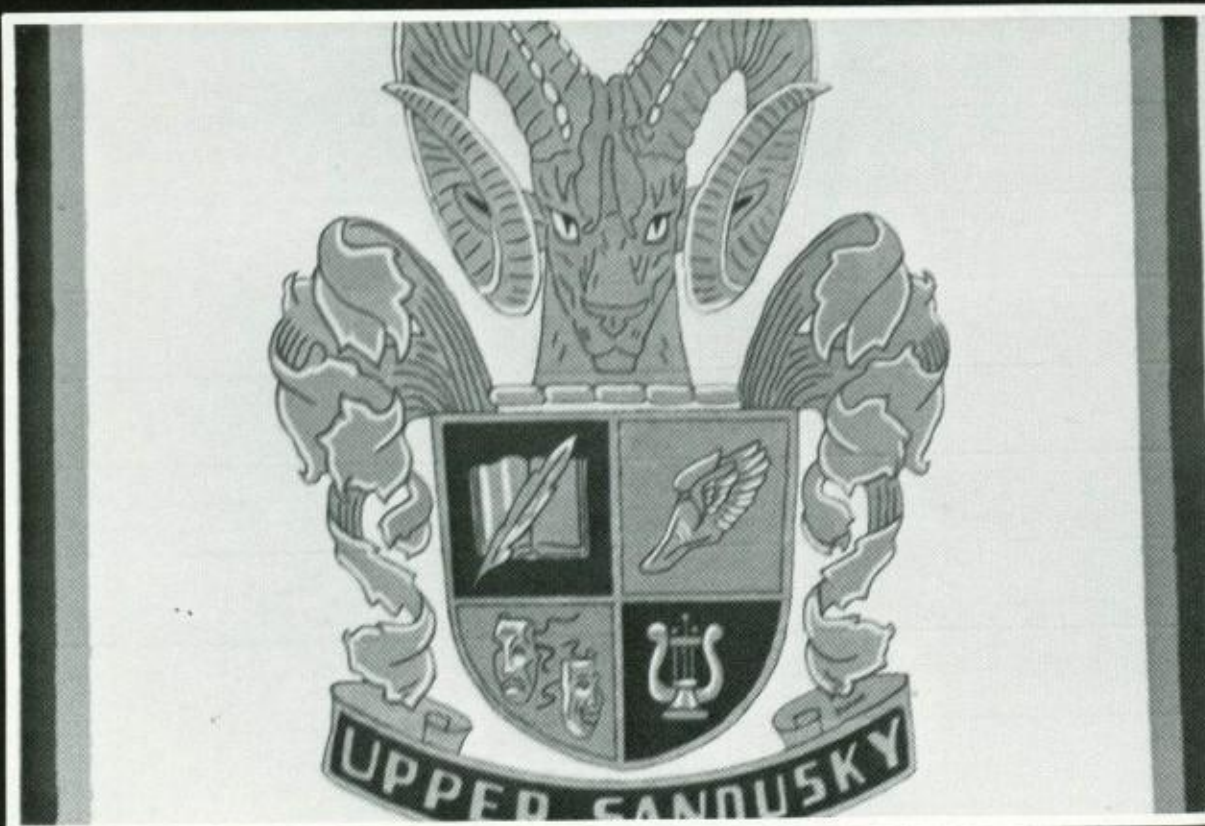

Principal Tom Baker and students take advantage of the new lunch addition.

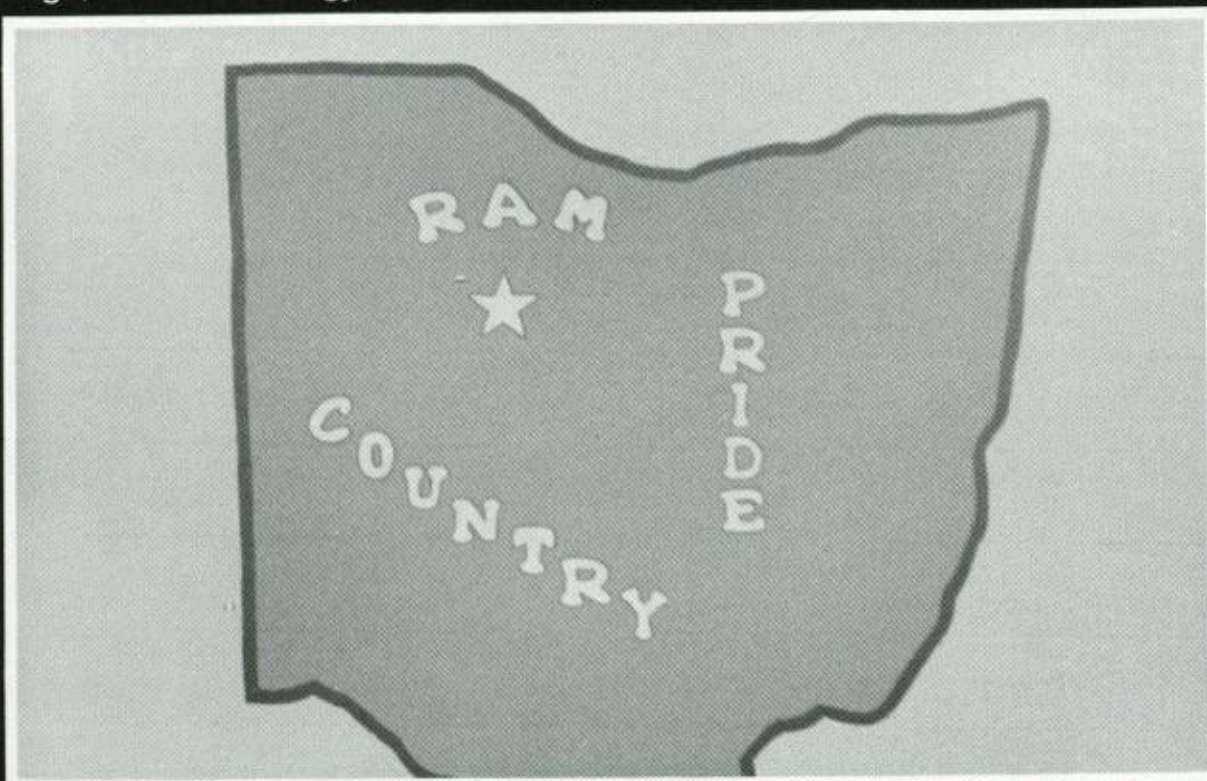

Students move through the a la carte line, making selections as they go.

Mr. Gerald Swankhouse, varisty track coach (boys) and teacher at the Junior High, refreshed our gymnasium with paintings such as these two shown.

The new dimension to follow these pages is the result of a lot of hard work by the class of '82. Many money makers were necessary for our monetary goal to be met. The annual staff wishes to thank all those who helped us in any way. A special thank-you to Mrs. Jackie Mosman for her organization of the spaghetti supper. We hope that everyone appreciates all that went into this dimension, as the class of '82 has set yet another precedent for future years.

HOMECOMING

Cold, windy weather doesn't stop the true football fan from a game. Upper's homecoming game was no exception. Even though turnovers tortured the Rams in a 34-0 loss to Bellevue, other homecoming festivities proved to be successful. Miss Lisa Frisch was crowned queen before the October 2nd game, with Natalie Miller, Laura Courtright, Nanette Miller, and Linette Constien completing her court. Prior events to the game included an outdoor pep rally, complete with wheelbarrow races and class competitions, and a downtown pep assembly following a joint parade of the high school and United Way. Concluding the active week was a formal dance sponsored by Student Council, with the band "Shamoo" providing live entertainment.

"CHEAPER BY THE DOZEN"

The 1981 Jr. & Sr. class play "Cheaper By The Dozen" was held on November 20 and 21 under the direction of Mrs. Sharyn Warfel, Mr. Allen Walton, and student directors Jeff Kin and Donna Porter. The play deals with a unique family, the Gilbreths. The father is an efficiency expert who is doing his best to get his children through school before his death. However, his oldest daughter's romance was not included in his plans. How the family deals with the children's growing pains and their changing relationships with their father, makes a comic, yet heartwarming story.

HIGHLIGHTS

The 1982 Junior-Senior prom was entitled "Around The World." With the help of advisers Mrs. Jan Stoneburner and Mrs. Connie Miller, and chairman Donna Porter and Rob Gagnon, the prom was a success. Although May 7 was a rainy night, prom-goers did not let the rain spoil their good time. There were several new activities at the prom this year. A formal dinner was held for the guests who chose to eat at the school. Games, movies, and cards also took the place of a movie. Decorations from foreign countries gave prom-goers the feeling that they were in several different countries. Nat Miller and Ed Young were chosen prom queen and king for 1982. USHS would like to thank the juniors for all of their hard work to make the prom a success.

Teach Him Gently, If You Can . . .

My young son starts to school tomorrow . . . It's all going to be strange and new for a while, and I wish you would sort of treat him gently . . .

You see, up to now, he's been our little boy. He's been boss of the back yard . . . His mother has always been around to repair his wounds, and I've always been handy to soothe his feelings.

But now, things are going to be different . . . This morning he's going to walk down the front steps, wave his hand, and start out on the great adventure . . . It's an adventure that will probably include war and tragedy and sorrow. To live his life in the world he will live in requires faith and love and courage . . .

So, world, I wish you would sort of take him by his young hand and teach him the things he will have to know. Teach him gently . . . if you can.

He will have to learn, I know, that all men are not just, that all men are not true. But teach him also that for every scoundrel there is a hero . . . that for every selfish politician, there is a dedicated leader . . . Teach him that for every enemy, there is a friend. It will take time world, I know, but teach him, if you can, that a nickel earned is of far more value than a dollar found . . . Teach him to learn to lose . . . and to enjoy winning. Steer him away from envy, if you can, and teach him the secret of quiet laughter. Let him learn early that the bullies are the easiest people to lick . . . Teach him, if you can, the wonder of books . . . But also give him quiet time to ponder the eternal mystery of birds in the sky, bees in the sun, and flowers on a green hillside.

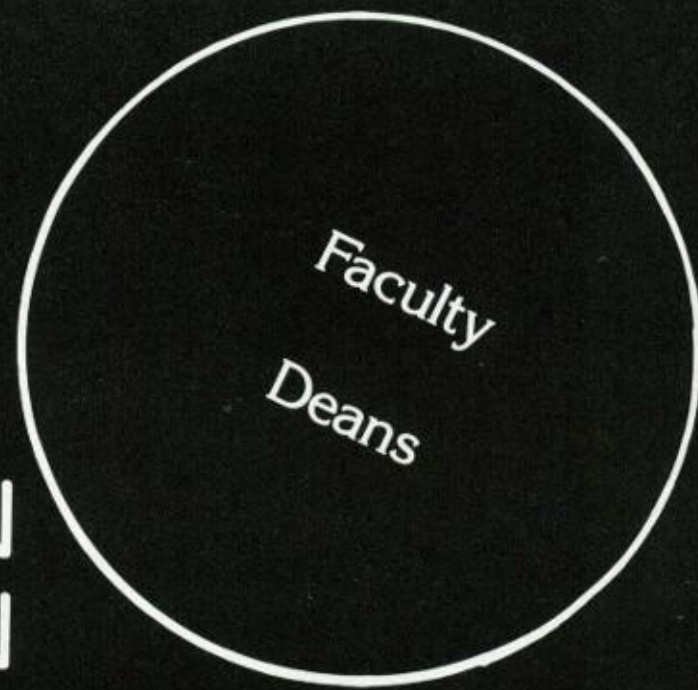

In school, world, teach him it is far more honorable to fail than to cheat . . . Teach him to have faith in his own ideas, even if everyone tells him they are wrong . . . Teach him to be gentle with gentle people and tough with tough people. Try to give my son the strength not to follow the band wagon . . . Teach him to listen to all men . . . but teach him also to filter all he hears on a screen of truth and take only the good that comes through. Teach him, if you can, how to laugh when he is sad . . . Teach him there is no shame in tears . . . Teach him there can be glory in failure and despair in success.

Teach him to scoff at cynics and to beware of too much sweetness . . . Teach him to sell his brawn and brains to the highest bidders but never to put a price tag on his heart and soul. Teach him to close his ears to a howling mob . . . and to stand and fight if he thinks he's right.

Treat him gently, world, but don't coddle him, because only the test of fire makes fine steel. Let him have the courage to be impatient . . . let him have the patience to be brave. Teach him always to have sublime faith in himself, because then he will always have sublime faith in mankind. This is a big order, world, but see what you can do . . .

He's such a fine little fellow, my son!

Biology, the study of living things, is a course taken by Sophomores, Juniors, and Seniors interested in studying the many aspects of plant and animal life. Students take part in actual dissections to broaden their understanding of this science throughout the course of the year.

Chemistry I, offered to Juniors and Seniors, is the science that deals with the characteristics of elements, the changes that take place when they combine to form other substances, and the laws of their behavior. Students learn much in this class from the many experiments conducted.

Chemistry II is a continuation of the first year chemistry course. It deals with a wider range of the laws and principles learned the previous year with experiments aiming to widen a student's knowledge and understanding of the chemistry field.

Physics, offered to Seniors only, deals with matter and energy. Students cover force, motion, heat, light, sound, electricity, magnetism, radiation, and atomic structure throughout this course.

See! I told you so!

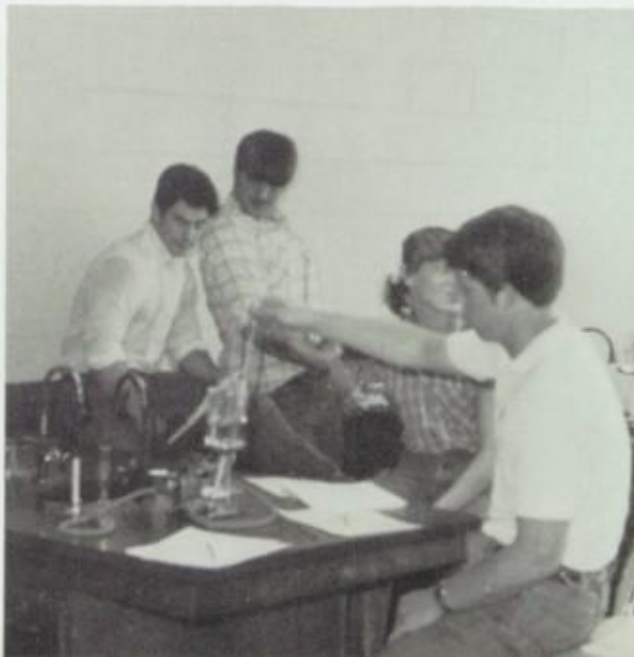

Lab Assistant Dave Crow shows us his latest biological discovery.

ENGLISH DEPT.

Writing themes and papers is a main highlight of English Composition.

Sophomore English classes learn a great deal about English grammar and usage.

The USHS English Department is made up of English II, III, English Composition, and Practical English. These are required courses for all students. English II covers areas of grammar, usage, spelling, vocabulary, and poetry. English III consists of one semester of English, one semester of minicourses. In English III, students study the literary periods, as well as spelling and vocabulary. Seniors have the choice of taking one semester of English Composition, or Practical English, and one semester of mini courses. English Composition deals with writing papers, and a final research paper. The purpose of Practical English is to better reading and language skills.

The senior English classes work on writing their research papers.

Mrs. Leeth gives Vali Hoover advice about her English report.

Sophomore geometry class taught by Mr. Hughes.

Advanced Math students always have a lot of questions.

Sue Lehman works on her Advanced Math homework.

After completing Algebra I, juniors are then eligible to take Algebra II.

MATH DEPT.

The Math department is composed of Geometry, Algebra II, Advanced Math, and Senior Math. The main purpose of these courses is to prepare students for college. Many math skills are learned which are very useful to students in the future with situations at home, work, business, industry, and community. Also, many colleges require that at least two to three math courses are taken in high school.

ART DEPT.

This has been an up and down year for the Art Department. The 1981-1982 school year began well with an above average number of students enrolling in Art. In the spring, when the Art room caught on fire, many changes had to be made. Classes had to be held in the auditorium and cafeteria. With a lot of work, the Art room was ready for use at the end of the year.

The Art Department is made up of Art II, III, IV taught by Mr. Floyd Hissong. The students do many projects in drawing, painting, and working with clay, and ceramics. Drawings are done with charcoal and crayon, as well as ink. Painting the windows at school during the Christmas season is always a fun time for the students.

FOREIGN LANGUAGE DEPT.

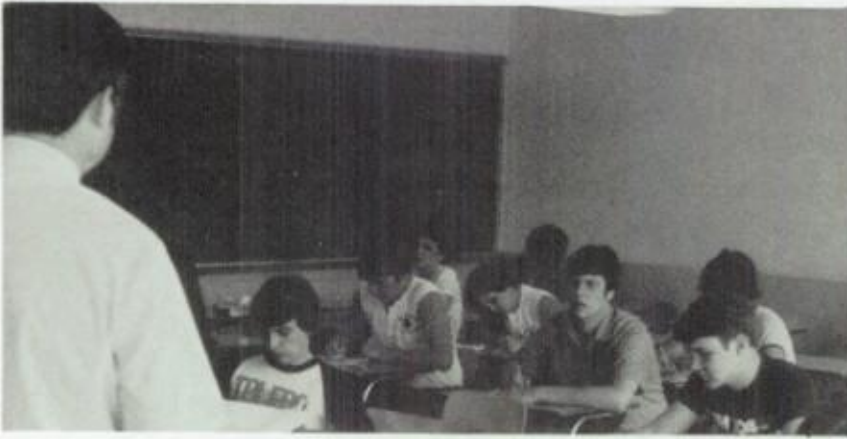

The Spanish IV students dress up in their Spanish clothing.

The purpose of the Foreign Language Department is to broaden one's insight on different cultures and to teach the speaking and writing of language. French and Spanish are the two subject areas taught at USHS. Literature, art, composition, grammar, and vocabulary are just some of the featured topics of the language department.

Spanish students must learn many new verbs and their conjugations.

HISTORY DEPT.

Senior government class taught by Mr. Scherger.

Films are very important in history class.

Don't look so enthused, Gail!

Junior history classes learn about foreign relations.

History is a required course for all juniors, and government is required for all seniors. In these two years, students learn how the United States government is run and how foreign countries run their governments. Students also study the constitution and the amendments. Mr. Lee Himmeger, Mr. William Miller, and Mr. Bob Scherger are the history and government teachers.

BUSINESS DEPT.

USHS Business Department is composed of Accounting I and II, Personal Typing, Typing I and II, Shorthand, and Economics. Any sophomore, junior, or senior is permitted to take business courses. Under the instruction of Mrs. Jeannine Hissong, Mr. Fred Snyder, and Mr. Brad Turson, students learn many business skills. Accounting classes teach students basic accounting skills which are very useful in the future. The typing courses help students learn the fundamentals of typing. Shorthand is extremely helpful for students interested in a secretarial career. The study of Economics helps students learn more about budgets and economic situations.

DRIVERS EDUCATION

Drivers Education is a favorite course for nearly all sophomores. They are finally ready to get their licenses! The course consists of one semester of book work and six weeks of driving. After the driving part is completed, students are then ready to take their driving test. Miss Andra Bell, and Mr. Bruce Shrider help the students through Drivers Ed. This class is not required for sophomores. Students may choose to go to a private driving school.

John Hughes is the lucky one who has to drive first!

HOME ECONOMICS

Home Economics has become a favorite course at U.S.H.S. for both boys and girls. It offers the teaching of basic skills in Home Ec Special, and more difficult tasks in Home Ec II, III, and IV. Students learn how to cook, sew, macrame, knit, crochet, latch hook, crewel, and embroider. They also study home furnishings, and child care as special projects. During child care studies, the students were allowed to bring in small children ages 3-5 and play with them and have a craft for them to take home.

INDUSTRIAL ARTS

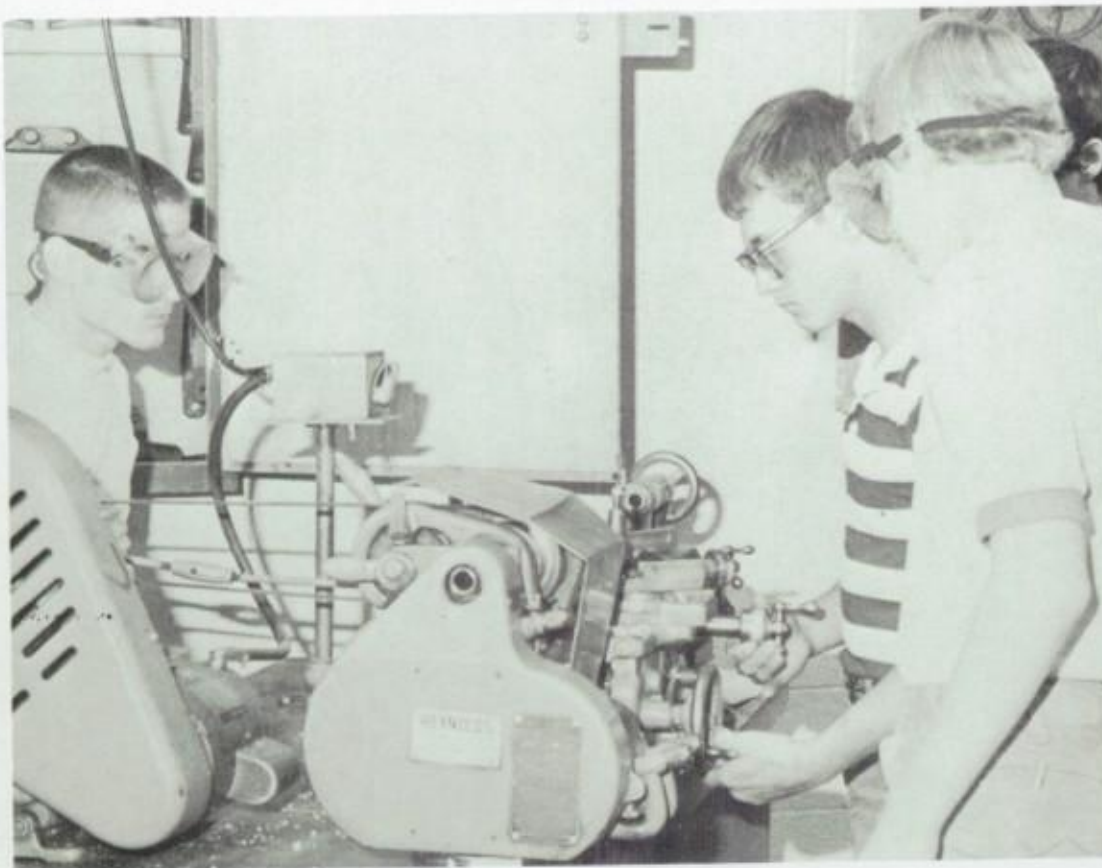

Industrial Arts is designed for the student who wishes to further develop his skills in industrial or shop work. The main emphasis of the industrial arts program lies in machine operation, wood working, metal working, and the upkeep and repair of all equipment used.

Doug Predmore returns his tools after class.

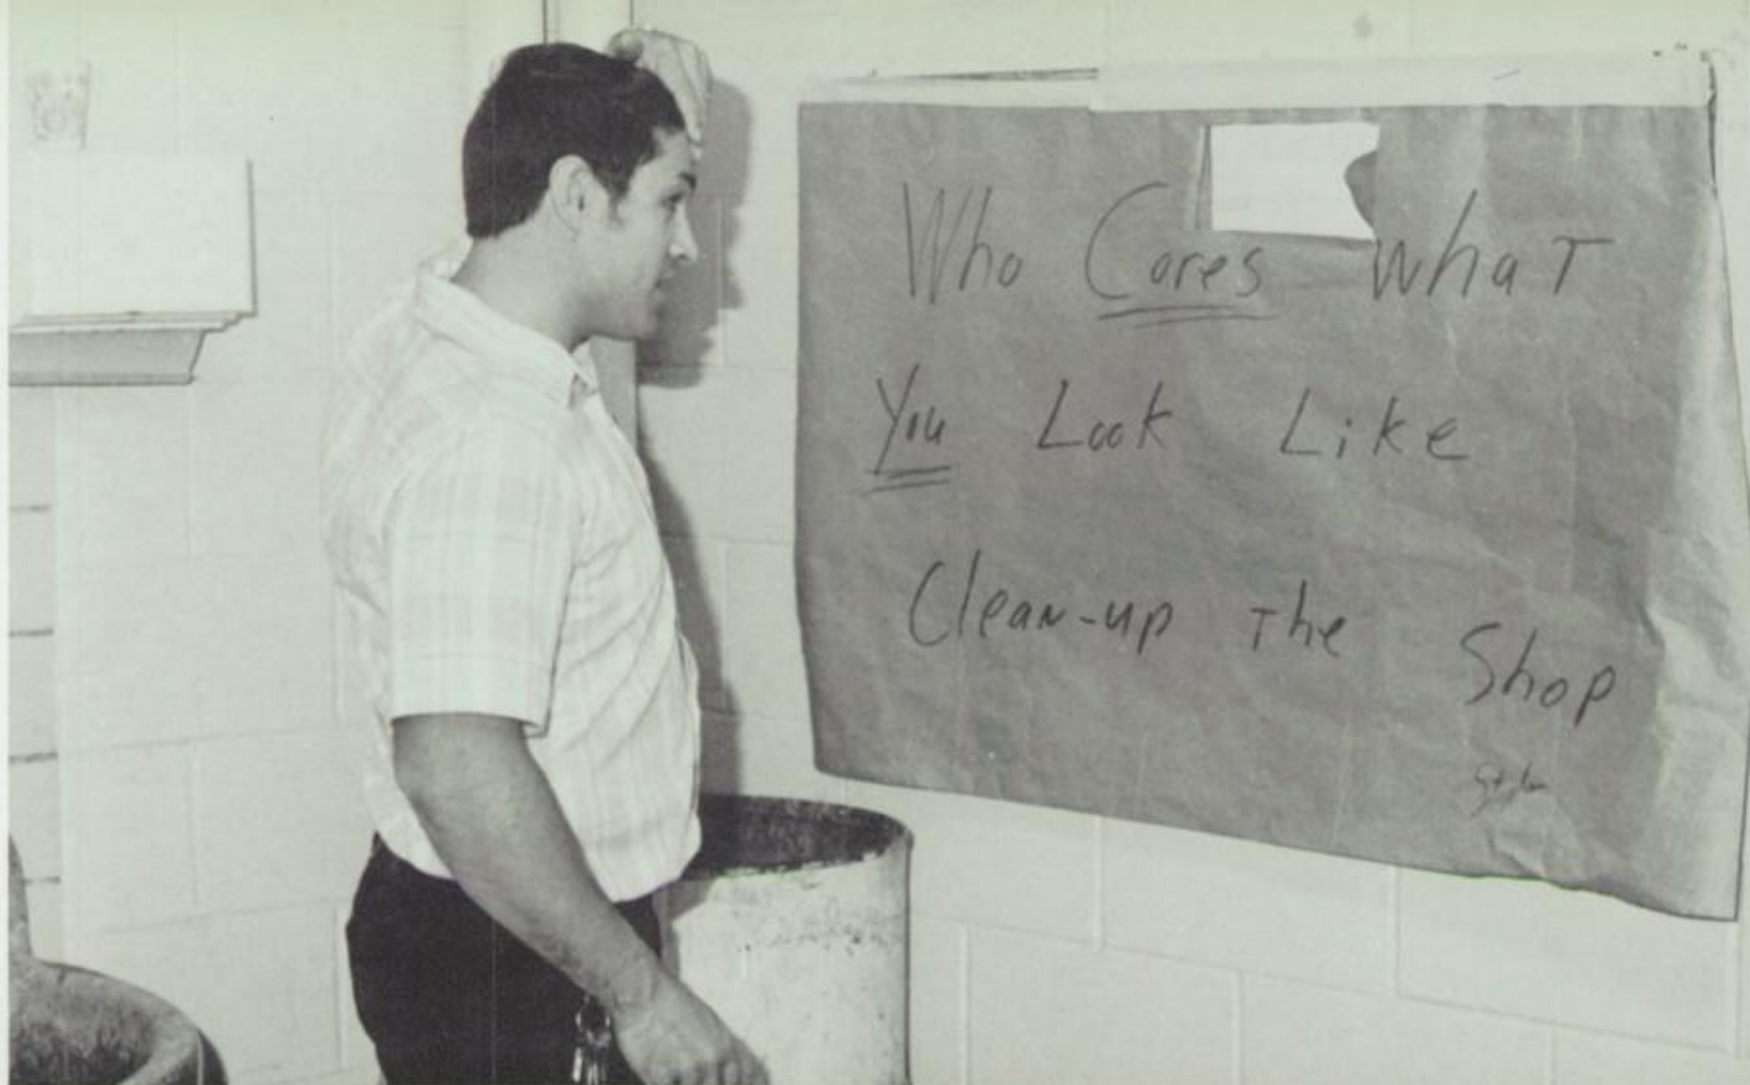

Helping Bryan Beard to steady the project is Joe Shumaker.

Todd Fagan operates the machine as Mark McQuiston and Todd Gillen keep a close watch.

The wood needs one final coat before Dave Roberts can continue with his project.

Coach Stephan undoubtedly thinks his cleaning part of the shop is done!

MECHANICAL DRAWING

Architectural, dimensional, projection pictorial, and machine drawings are just a few of the objectives taught in the Mechanical Drawing course. The course stresses graphic language and develops the graphic understanding in its students.

Believe it or not, but Larry is actually concentrating on his drawing!

LIBRARY HELP

Library helpers included: Beth Summit, Donna Lortz, Cherrie Montgomery, Karen Hensel, Kip Barth, Jack Book, Rick Roberts, Steve Mittermaier, Sue Daulton, Donna O'Neil, Pam Kimmel, Sonya Racheter, Jan Russell, Renee Batton, Becky Sandridge, Lisa Bower, Tina Mann, Jo Hensel, Julie Conrad, Rita Vanscoy.

USHS library helpers have many responsibilities that help the librarian, Miss Widmer. The helpers check out books, as well as put them away. They also check out magazines for other students. The library helpers are responsible for making sure that everything is in order. The helpers also do other odd jobs that need done in the library.

MINI COURSES

Mini coursed at USHS include: Athlete, Bible, Creative Writing, Death, Drama, Folklore, Great Ideas, Humor, Mythology, Reading for Pleasure, and Shakespeare. Speech is also offered as a semester course. The students may choose any of the mini courses they want. Mini courses are 6 weeks in length.

Members of Great Ideas mini course toured the Wyandot County jail.

U.S.H.S. RAM BAND

"Step, step kick, freeze!" The famous final words of band members as the drum cadence comes to an end. But, behind every polished performance are many hours of dedication and hard work. Practices began in August and were held on Thursday nights. These practices took the place of band camp, to the liking of everyone involved. Rehearsals consisted of reviewing marching procedures with the juniors and seniors, and teaching the up-

coming sophomores maneuvers and drill technique. Officers for the Ram Band were as follows: President; Jon Hathaway, Vice-president; Kevin Newell, and Secretary; Tani Zehfus. The band is under the direction of Mr. James McDonald. Rowdy bus rides, pizza parties, and the lighted halftime show during the Shelby game were the most memorable times of the season for most of the band members.

Rain or shine, the Ram Band always plays the fight song after touchdowns.

SENIOR RAH!

The privilege of being a senior is by far one's greatest asset as a band member. For once, everyone else takes orders from you! The class of '82 band members were no different from those of previous years as their favorite saying was still, "SOPHOMORES STAND!" In truth, though, the fine haltime performances by the Ram Band wouldn't be possible without the leadership of the seniors. Their experience as marchers and patience as squad leaders are what make our band the best in the land.

TWIRLING IN TIME

The eight Ram Majorettes had a great time twirling this football season. They were under the advisory of Mrs. Sharyn Warfel, and led by head majorette Natalie Miller. Other senior members were Vicki Althouse, Joan Fair, and Alison Walton. Feature twirler was Patti Reile, a junior. The majorettes participated in two twirling contests and did very well. They received two firsts, one second, and one third in the competitions.

THEY DO IT WITH FLAIR!

Perfect timing is essential when doing circle drills.

Sixteen girls made up the 1981 U.S.H.S. Flagline under the direction of Mr. Matt Armstrong. Led on the field by co-captains Becky Hill and Monica Block, and Lt. captain Lavon May, the corps added a colorful flare to our Marching Ram Band. Tryouts for flagline consisted of learning a routine, marching, and performing before a panel of judges. Money makers for the line included a bake sale, working at the Village Drive-Thru, and running the basketball concessions.

Becky Hill steps out upon her introduction.

Marching in a parade is just one of the many tasks of the flagline.

The pep band is hard at work providing half time entertainment.

Just imagine a basketball game without the pep band. There would be no fight song, no half time music, and let's not forget the echoing voices of the cheering band members. This group of twenty-two students is advised by Mr. McDonald and takes the responsibility of providing music at pep rallies and all the home basketball games. So, the next time you are at a basketball game don't forget to take time out to appreciate the work of the pep band.

The eighty five members performed various concerts at the high school and, under the direction of Mr. Richard Davis, received a II in the District Contest at Sandusky Perkins High School. The choir spent a weekend this year at Jackson, Ohio, the hometown of Mr. Davis. There they did special performances at Jackson High School and The Baptist Church of Jackson. The choir also traveled to Columbus, Ohio where they sang at the State Office Tower.

Tryout participants are asked to sing solo's, trio's, and are required to perform dance routines to determine voice quality and song and dance coordination. Directed by Mr. Richard Davis, the group performed at numerous clubs and organizations including The Rotary Club, The Retired Teachers Association, and the Usando Club. The year was highlighted by a trip to Mr. Davis's home town of Jackson, Ohio where the group performed at Jackson High School.

WEST SIDE STORY

This 1950's musical takes place during those torrid summer months on the streets of New York City. The theme is based on territorial warfare between two gangs — the Jets (Americans) and the Sharks (Puerto Ricans). Their conflict has really been raging off and on in various ways since the Tower of Babel when nationalities started. Everything is culminated through love when a Jet boy (Tony) falls in love with a Shark girl (Maria). Love which is the strongest of all emotion will triumph ultimately and the gangs will be reconciled, but only after much heartache and death.

Riff (Bruce Smythe) is trying to convince Tony (Dave Crow) to help the gang when they rumble against the Sharks.

Tony and Maria first meet at the big dance.

Rosalia (Jodi Watkins) is proud of Puerto Rico and tries to defend it against Americans Chris Conley, Chris Turley, Julie Turk, and Helen Pagnard.

Anybodys (Marsha Batton) tries to pull Tony (Dave Crow) away, as he tries to find Chino who is looking to kill him.

Tony and Maria dream of what it would be like to be married.

Shark leader Bernardo (Jeff Kin) confronts four Jet members, Arab (Steve Mittermaier), Baby John (Derek Harrah), Riff (Bruce Smythe), and Action (Rob Gagnon).

The gangs chose their best fighters to punch it out to decide who is to control the neighborhood.

Chino (Neal Steiner) who was supposed to marry Maria shot Tony, Maria's new love.

Velma (Alison Walton) shows her sympathy to Maria (Annette Miller) after the death of Tony.

FOREIGN LANGUAGE CLUB

The Foreign Language Club at U.S.H.S. concerns itself mainly with the help and organization of sending students abroad. This year, ten students and five adult chaperones were fortunate enough to go to England and France. Major tourist attractions visited by the group were: Big Ben, Buckingham Palace, The Crown Jewels, The Towers of London, Eiffel Tower, Notre Dame, Mont. St. Michel, the Loire Valley, and the Louvre Museum. Fund raisers for the Foreign Language Club included a paper drive and refreshments at the musical. The travelers would like to thank those people who made their trip through A.L.S.G. possible.

The club painted faces during Spirit Week this year to raise money. Tri Masque officers for this year were President — Alison Walton, Vice President — Chris Conley, Secretary — Jeff Kin, and Treasurer — Paul Stephan.

STUDENT COUNCIL

Under the advisership of Mrs. Charlotte Leeth, the student council was able to accomplish many projects during the course of the school year. Homecoming was probably the biggest undertaking of its members. Mums were sold in order to cover the costs of sponsoring a dance, buying the homecoming court's flowers, and decorating the school halls. The club also sponsored two bloodmobiles in conjunction with the American Red Cross. Basketball season was also a busy time for the student council members, as they offered a coat check at the boy's home basketball games, and decorated cars for donations before going to the girls' state tournaments.

ORANGE & BLACK

1981-1982 Orange & Black staff.

Editor Melanie Blair typing one of the articles for the paper.

The Orange & Black staff worked hard this year and had a great deal of responsibility. The group found that putting a newspaper together each week is not as easy as it may seem. With the help of adviser, Mrs. Nora Kinley and editor Melanie Blair the group was able to try many new ideas and add variety to the paper. Editor Melanie Blair spent many hours at the newspaper office typing and laying out the newspaper in order to make the Orange & Black a success. The group was also involved in sponsoring a Valentine's Dance and had various parties during the year.

Dedicated, loyal, and hardworking is the only way to describe Mrs. Nora Kinley. After 20 years of teaching at USHS, Mrs. Kinley is retiring. Mrs. Kinley began teaching English in 1962 and taught until 1963, when she took a 2 years leave of absence. Mrs. Kinley raised her 2 children during this leave of absence. After coming back to teaching in 1965 she taught English. Mrs. Kinley has continued teaching Media writing until this year. Mrs. Kinley will always be remembered as being the Orange & Black adviser, National Honor Society adviser, dedicated teacher, and good friend to many of us. USHS would like to thank Mrs. Kinley for all her hard work, and wish her the best of luck in the future.

GRAPHIC ARTS CLUB

Printing decals saying "Ram Tough", and selling t-shirts served as money-making projects for the Graphic Arts club. The club is for any Graphic Arts student who wishes to further his knowledge about the printing process. Adviser Mr. Howard Ward, helps the group with advanced printing and engraving. The members use various types of screen printing, letter pressing, and graph processing in their projects. The Graphic Arts club helps the school with many programs for plays, musicals, and banquets, as well as printing tickets.

STEP BACK, NADIA

. . .

When Mr. Scherer told me that I could do anything if I set my mind to it, I never dreamt that it included sitting on air!!!

A new gymnastic club was formed this year open to all students interested in improving their gymnastic skills. Advised by Mr. Tim Scherer, the members accomplished many new stunts on the balance beam, mini tramp and several floor exercises were taught. Practices were held on Tuesday and Wednesday nights at the Jr. High School. The highlight of the year was a trip to Mt. Gilead where the team was instructed on how to use various gymnastic equipment.

It seems like Janet is always bending over backwards trying to improve her gymnastic skills.

NATIONAL HONOR SOCIETY

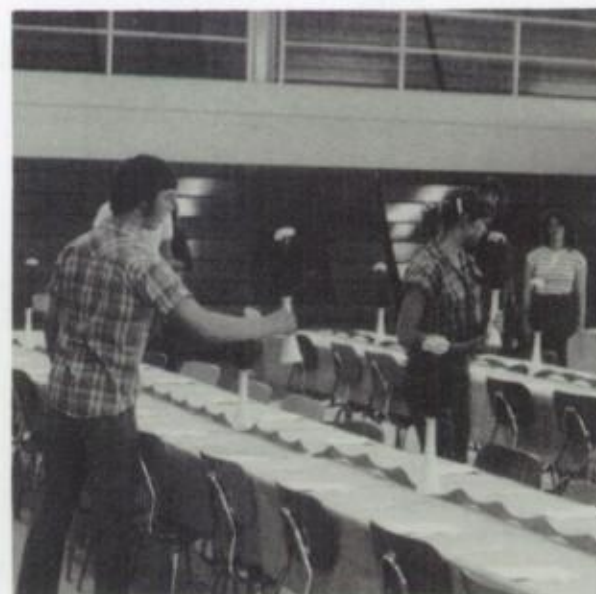

National Honor Society is composed of juniors and seniors with a 3.4 average or better who are selected by their teachers. FCA

FCA (Fellowship of Christian Athletes) is a very popular group for students. Meetings are held as discussion periods, where athletes can talk about various mutual problems they have. Chairmen Bruce Smythe, and Ed Young, along with adviser Mr. Tom Needs, start discussions and organize the meetings. The meetings are very useful to the students who learn a great deal from them, and help them share problems.

VARSITY U

Varsity U is an organization open to all varsity players of any sport. The club's meetings enable athletes to meet and discuss any problems they may have, and talk about their interest in sports, and the athletic program. Varsity U has several money-making projects each year. At the end of the year, the students then purchase something for the athletic department. Officers for the year included: Joelyn Shoup, President; Bruce Smythe, Vice-President; Janet Schilling, Secretary-Treasurer.

BUSINESS CLUB

The 1981-1982 Business Club was involved in many activities. The main highlight of the year was sponsoring a Butler Day. The club worked hard planning for this, and Butler Day turned out to be a success and a big event for everyone. Several girls from the Business Club were also invited to a Secretary's Day at Tiffin University. The group ended the year by having a breakfast for the members and for their adviser, Mrs. His-song.

Many students nominated another person to be their butler.

As the leaves begin to turn in color, and the pigskin takes to the sky — nothing can stop that Ram Fever epidemic from sweeping the city. Slow to start as it was, the 1981 gridiron squad finished on a winning note and with high expectations for the upcoming year. Many doubted the capability of the Rams at mid-season when a 1-3-1 record plagued the books.

Not satisfied with their previous performances, the Rams improved and looked like a new team for the second half of the year. Upsetting the favored Shelby Whippets and winning four of the remaining five games, the Rams finished with a respectable 5-4-1 overall record and 4-3 in the N.O.L. Head coach Jim Lahoski, in his third year at U.S.H.S., led his team to a third place N.O.L. finish and an eleventh place Division III finish in the Region 10 computer ratings. Let's not overlook the junior varsity team either, as they proved themselves by defeating six of their seven opponents. With twenty six returning lettermen and eleven returning starters, the future looks promising for the Rams in their 1982 season.

Another hard earned first down.

Seven seniors. That's all; but, together they led the Rams to a winning season. Lance Heyman and Dick Shumaker received N.O.L. Honorable Mention at linebacker and center, respectively. First teamers in the League were as follows: Mark Griffin at middle guard, Steve LaMont at tailback, and Bruce Smythe at defensive end. LaMont also set a new school record in the rushing department with 1373 yards, breaking Denny Gerber's old record set in 1955. He also captured the league rushing title in the last game of the season. LaMont said, "It was great to break the record after chasing it for three years."

ALL MY LIFE I'VE WANTED TO BE A CHEERLEADER . . .

. . . to jump and shout and lead the crowd in chants. Well believe it or not, cheerleading involves much more than meets the eye. A lot of hard work, time, and creativity go into a cheerleader's total performance. The squads at U.S.H.S. are composed of six varsity and five junior varsity cheerleaders. Varsity members include: Co-captains Linette Constien and Nan Miller; Marsha Batton, Donna Porter, Sue Stansbery, and Chris Turley. The junior varsity roster is as follows: Co-captains Peggy Hoover and Kindra Kuenzli;

Chris Grubbs, Janine Martin, Julie Ruttmann, and alternate Julie Morrison. With the help of advisers Mrs. Connie Miller and Mrs. Jan Stoneburner, the football season passed quickly and productively for the girls. Aside from attending summer camps, decorating the school halls, planning pep assemblies, and routing for the Rams, the cheerleaders also prepared special treats for the football players prior to each game, and became painters in order to ready the locker rooms for the '81 season.

Set Spike Serve

The 1981 Volleyball team ended the season very well with a record of 8-10. The team, after much experience, improved the league record for the second half of the season losing only two. Seniors Karen Hensel, Honey Kinley, Janet Schilling, and captain Rita VanScoy helped encourage the team to try harder each game. The Lady Rams team was quite unique as they were the first team in the state to begin practicing — starting August 17, 1981 at 12:01 a.m.! Four starters were praised with All NOL honors. Those receiving awards were Janet Schilling, Second Team All NOL; Pam Kimmel, Janet Newell, and Rita VanScoy, Honorable Mention. Those receiving individual awards were Becky Kinley, top setter; Pam Kimmel, top spiker; Janet Schilling, top passer; Rita VanScoy, top server and honorary captain. Rita was also awarded the K of C Sportsmanship Award.

The 1981 USHS Golf Team ended the season placing third in the NOL. The team was led by three seniors Dave Moore, Helen Pagnard, Doug Predmore, and Dag Littorin. The golf team finished with a record of 8-6 and placed third out of ten teams in the Tiffin "Tornado Open", and third place in the Sectional Tournament. Next year the team should improve even more as there will be three returning lettermen Brad Himmeger, Jon Rife, and David Solacoff. Doug Predmore and Jon Rife were the captains for this year's team. Winning awards this year were Jon Rife, Second Team All NOL; and Helen Pagnard, K of C Sportsmanship Award.

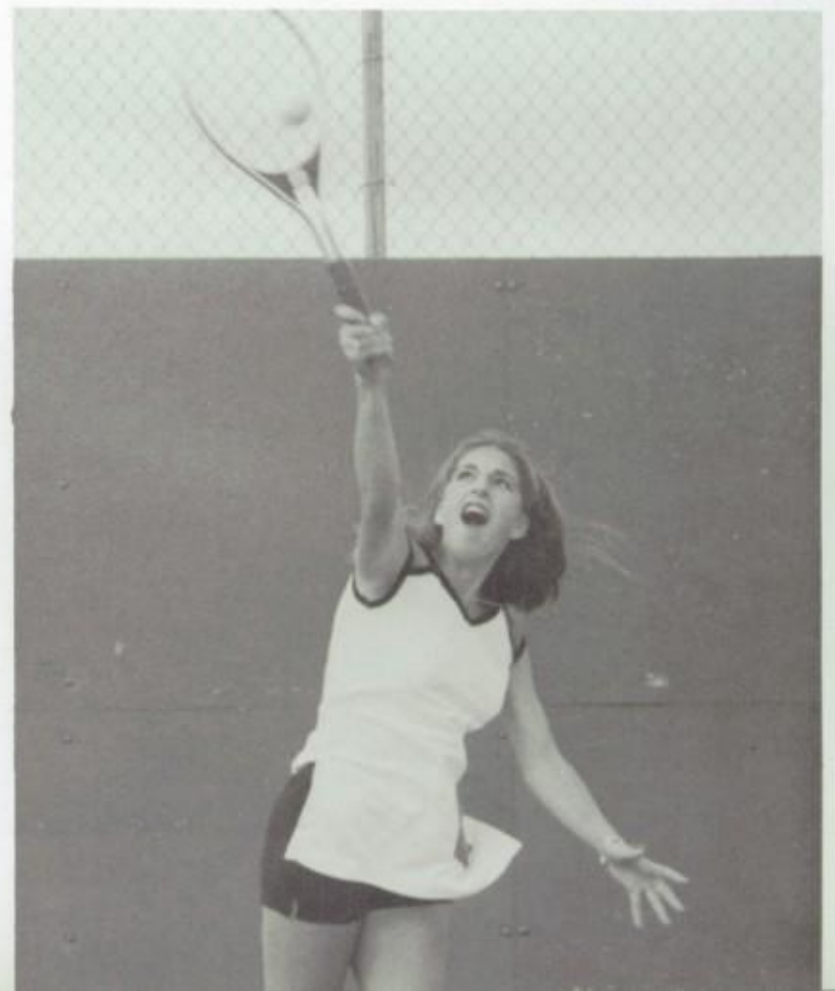

A FRESH START

(L to R) Front: Reneé Batton, Lisa Weaver, Sue Lehman, Mary Barnes, Kris Bauer. Back: Coach Shirley Spitler, Sue McCarthy, Carolyn Browne, Jo Stover, Beth Summit, Coach Tim Scherer.

The girl's tennis team had a fresh start on the 1981-1982 season. With new coaches, Mr. Tim Scherer and Mrs. Shirley Spitler, new uniforms, and practically a new team, the girls hit the courts ready to play tennis. They were led into the season by the only two starters from the previous year, Sue Lehman and Carolyn Browne. Sue, the only Senior on the team, competed most of the season at the challenging position of number one singles. Her overall record consisted of 1 win and 13 losses. Mary Barnes ended the year with the most wins totalling 148 games. The team finalized the year with a record of 0-16. At the close of the season, the tennis team traveled to Ontario for tournament play. The entire team did well. Reneé Batton was honored at the Fall Sports Banquet by receiving the Knights of Columbus Sportsmanship Award. The girls' team will be retaining most of their 1981-1982 members, losing only one to graduation; so next year accomplishments should prove to be very rewarding.

Sue McCarthy must admit that long arms can come in handy when she is playing tennis.

Step aside Tracy Austin, Lisa Weaver is here!

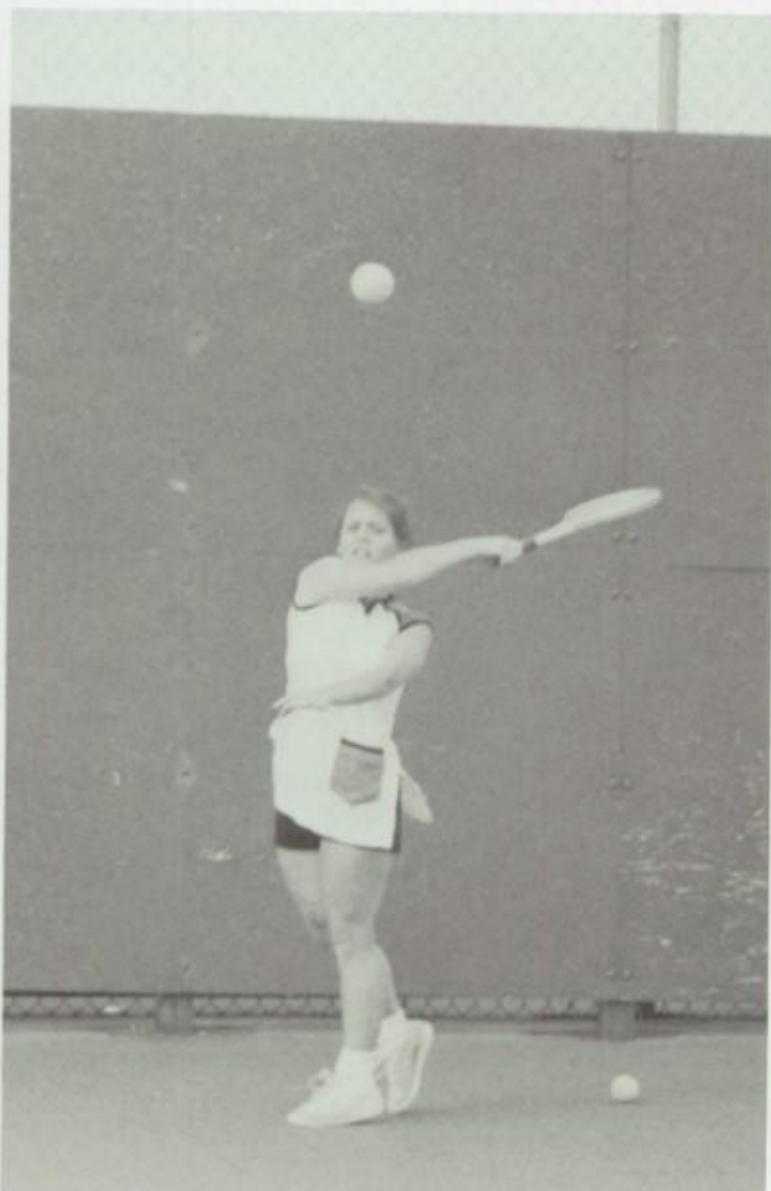

Renee Batton finally finds the tennis courts.

RUNNIN' FOR YOUR LIFE

The 1981 Cross Country team showed a great deal of potential this year. Four seniors, Dave Hensel, Gary Moran, Bill Winroth; one junior; and five sophomores represented USHS. This was Frank Shuleski's second year of coaching, and the team is improving more and more each year.

The team began practicing in July. Practices consisted of running various distance runs from the high school to Indian Mill, the bowling alley, or a five mile course in the country.

Next year should prove very promising for the Cross Country team, as six sophomores and juniors will be returning with a season's experience.

Shawn Logsdon runs in a big meet held at Tiffin involving ten different schools. This is Shawn's first year on the team.

Gary Moran shows his teammates his muscles while they are stretching out.

Ken Young drives for the bucket.

Success ran far and wide in Ram Country where the boys' basketball team was concerned. A winning season, (19-5), a second place N.O.L. finish, and four starters making all-league teams contributed to this success story. Seniors Joe Clark, Lynn Passet, Bruce Smythe, and Ed Young completed their last year of basketball action and set a precedent of teamwork for upcoming roundballers. Mr. Lee Himmeger served as head coach of the Rams and guided them through many long hours of practice and eventual game play. N.O.L. honors went to the following contenders: Ed Young — 1st Team; Joe Clark — 2nd Team; and Jon Rife and Brad Himmeger — Honorable Mention. Ken Young received the K of C Sportsman award. The highlight of the year was when the Rams gave Willard a run for their money after two previous lashings at the Flashes hands. Ram pride was definitely at its best during their comeback performance.

YOUNG TOPS 1,000 POINTS

"I set goals to start varsity basketball for three years, to score over 1,000 pts., and to be fortunate enough to receive a basketball scholarship to some college. It's a very satisfying feeling to know that you've accomplished something worthwhile." Such are the words of Ed Young, who set a new scoring record at U.S.H.S. with 1,281 career points. Some of the honors received during his senior year were: First Team All N.O.L., First Team and Player of the Year in District 6, First Team All NW Ohio, Second Team U.P.I. All State, and Third Team A.P. All State. Ed was also invited to play in the Dapper Dan Classic in Pittsburgh and the North-South All Star Game in Canton. Ed's funniest moment was when a black guy from an opposing team bragged about how good he was and someone called him Meadow "Dark" Lemon!

"And it's Young with the stuff!"

"Sorry fella . . ."

Beating Fostoria on a buzzer shot by Dave Lehman and defeating the Lexington Minutemen were the climactic points of the '81-'82 season for the reserve basketball players. Even though the J.V. squad didn't have a winning season, (8-12), the boys learned a lot about basketball which should prove helpful to the Rams in upcoming years. Coached by Mr. Brad Turson, the reserves favorite team cheer was "DEFENSE," and the coach's favorite saying was, "I wish you would play your games like you do your scrimmages against the varsity!"

1982 — N.O.L., SECTIONAL, DISTRICT,

DON'T STOP BELIEVING . . .

. . . for happy are those who dream dreams and are willing to pay the price to make them come true. Our Lady Rams felt very deeply about accomplishing their goals this season, and were successful at making their dreams come true. "We will be back," the quote of the Lady Rams after a narrow defeat in the Regional Finals last year, proved to be correct. The girls captured the N.O.L., sectional, and district titles for the second consecutive year. An added triumph came when the Lady Rams defeated a good Lima Bath team to go on to the state tournament at St. John Arena in Columbus. This marked the first time ever that a Lady Ram basketball team has reached state competition.

Along with a winning team, came many outstanding individual performances. Award winners were the following: In N.O.L., 1st Team — Janet Schilling, Joelyn Shoup; Honorable Mention — Pam Swartz, Chris Smalley; In District 6, Coach of the Year — Andra Bell; 1st Team — Janet Schilling, Joelyn Shoup; 2nd Team — Pam Swartz; Player of the Year — Joelyn Shoup; Team Awards, Captain — Chris Smalley; Best Defensive Player — Janet Schilling; Best Offensive Player — Joelyn Shoup; K of C Sportsman — Pam Swartz.

She was also named to the following teams: 1st Team all N.O.L., District 6 Player of the Year, Special Mention in Northwest District, AA State Tournament Team, and McDonald's All-Ohio All Star Team.

— RESERVE — LADY RAMS

The upcoming members of the Lady Rams varsity roster certainly have big shoes to fill in the 1982-83 season. Most of the strength and depth needed for a successful year will come from the 81-82 J.V. team. Under Coach Roxie Karg, these girls compiled a record of 12 wins and 8 losses — a definite plus when looking towards the future of the Lady Rams program.

Never before had a girls team from Upper qualified for such an honor. The impact was tremendous on our school and community. We commend the Lady Rams for their fine efforts and winning season.

Although the Wrestling team ended their season with a 2-11 record, the year was filled with many individual accomplishments. The twenty-three member team was advised by Mr. Jim Hughes and competed under the senior leadership of Chuck Billeg, Jeff Gier, Mark Griffin, Mark Lee, Matt Leightey, and Chris McCarthy. The 1981-1982 wrestlers took part in six tournaments. The Galion Tournament with Bill Blum and Jeff Gier both placing third, The Mohawk Tournament where Jeff Gier placed highest of the U.S.H.S. squad coming in second. John Hughes placed first in the Carey Classic Tournament, Jeff Gier placed second in the N.O.L. Tournament, Bill Blum placed first in Sectional Tournament action, and none of the qualifiers placed in the District Tournaments. Next year's wrestling squad should have a strong season as thirteen underclassmen will be returning lettermen.

To qualify for this award, students must carry a 3.3 grade-point average through their first seven semesters and they must earn at least one varsity letter as a senior. Thirteen seniors met these criteria: Linette Constien, Val Hoover, Joelyn Shoup, Chris Smalley, Sue Lehman, Nat Miller, Pam Swartz, Janet Schilling, Helen Pagnard, Rita VanScoy, Todd Menningen, Bill Winroth, and Lance Heyman.

The 1982 Annual Staff would like to take this opportunity to thank Mr. Bob Braymen of the Daily Chief Union for his generosity and help with our book. He, as the paper's sports editor, has provided us with many of the sports pictures throughout this book, as well as those on these two pages. We sincerely appreciate his help and cooperation throughout the school year.

INTRAMURALS

I just know there's something I'm forgetting to tell her.

"Look guys, follow my advice and you'll kill the Bandits," says Coach Clark.

"... and the next thing I knew they were all on top of me."

High school intramurals have become a growing pastime of many high school students. It provides a chance to get together with friends in competition without the pressure and time often required of members of athletic teams. Intramural participants have the choice of bowling or playing basketball, and many are involved in both.

Twelve teams took part in the basketball program. There were seven boys' teams: The Enforcers, Warlords, Warriors, Budweisers, Magicians, Bandits, and Nikes. The championship game was between the Magicians, who had an undefeated season, and the Bandits. The Magicians came out victorious with a final score of 46-31. The girls' teams consisted of Silver Rush, Lucky "7", E. Street Gang, All Stars, and the Dazzling Dolls. Lucky "7" downed Silver Rush by a score of 27-8 in championship play. Bowling intramurals took place at Wyandot Lanes on Monday, Tuesday, and Thursday nights. Twenty-seven teams were formed. The championship teams were the Git Off Me's on Monday night, the Gaslight Guzzlers on Tuesday, and the Beer Runners on Thursday.

Holding your breath won't get their attention Jack!

Bowling has become a favorite hobby for a lot of high school students.

Life is sweet because of the
friends we have made
And the things which in common
we share;
We want to live on, not because
of ourselves,
But because of the ones who
care.

It's living and doing for
somebody else
On that all of life's splendor
depends,
And the joy of it all, when we
count it all up,
Is found in the making of friends.
